SURROUNDING THE PROJECT

Nai Harn Lake

0.4km

There is not only the white sand beach at Naiharn but also a few hundred meters away an inland breathtaking lake connected to the sea, where people can find natural beauty and peace. The lake has a unique color a mix between light blue and green. People love this place for a romantic walk, a picnic with family, or simply fishing touched by the breeze of the sea. The exact 2Km borders give to the lake a perfect place to practice some sports, especially during sunset time, such as jogging, cycling, swimming, and skateboarding surrounded by an amazing scenario.

Nai Harn Beach

0.8km

Considered one of the best beaches in Southeast Asia by TripAdvisor, Nai Harn beach is a breathless match between crystal water and white sand.

Rawai Beach

1km

Rawai beach is famous for the picturesque scenery of the longtail boats along the beach, the fresh seafood market, restaurants and live music bars.

We Café

1.5km

WeCafé Phuket
FARM TO TABLE
ORGANIC ARABICA
HOME MADE

We Café stands out among most of the restaurants in Phuket for its healthy green and delicious taste and also for the exclusive beachfront location. The vegetables in the restaurant are fresh, juicy, and crisp as they were planted by the hydroponic system. Here, they serve both western and Thai cuisine.

Rawai Seafood Market

1.8km

Rawai seafood market is a must for food lovers. On the east side of the beach is the location of the famous market. Numerous fresh seafood stalls line up along the road and in the opposite side you can find inviting restaurants where they can cook for you the delicious creature from the sea you just bought from the stalls, the price asked is extremely low, the menu also includes international and Thai recipes. The top quality of the seafood, the freshness, and the attractive price make this market busy all over the year.

Promthep Cape

2.5km

Promthep Cape is located in the southernmost part of Phuket. It was named "Promthep after the worship of the Bhrama (Hindu god). The viewpoint of the Promthape Cape is a hill-shaped without any trees or buildings blocking it, you can clearly see the spectacular view where the sky kisses the Andaman sea, all the beaches around, and the green cliffs. It is impossible to describe the feeling that you get during the sunset, only those who have already been there known it. Undoubtedly the best viewpoint in Phuket.

makro
แม็คโคร

Makro

2.5km

Makro is the only warehouse supermarket in Thailand. The majority of the products are wholesale and the price is much lower than the normal retail shops. If you go to Phuket for leisure and vacation, you can buy things here and save a lot of money.

Tesco Lotus Plaza

3.5km

TESCO
Lotus
TESCO Lotus
Pizza Hut

Tesco is one of the most famous local supermarkets, with plenty of goods and products, here you can almost find everything you need for a competitive price. You can also buy some local specialties and bring them back home for your friends and family. Moreover, in the plaza you can find: an international book store if you would like to read something or learn how to cook “Thai”, ice cream shop, the famous restaurant brand for pizza and several banks.

Big Buddha

4.5km

The Big Buddha is made in concrete wearing the best white marble from Myanmar, 45 meters high, 28 meters wide, and only 1 meter shorter than the Statue of Liberty, located at the top of the hill in Chalong and overlooking the entire Chalong Bay. This spectacle gives an ultimate feeling of omnipotence!

PROJECT INTRODUCTION

Project Planning:

The UTOPIA LOFT is also called short UTL, which is the third project developed by UTOPIA Corp., the sister of the Utopia Naiharn (UTN) project, located just next door, currently in operation. The project is close to Nai Harn Beach and Rawai Beach in the southern part of Phuket. It takes only 10min to reach Nai Harn Beach by foot and just 13min to Rawai. The project Utopia Naiharn is also the third serviced apartment of UTOPIA's Phuket hotel network system officially opened on November 11, 2019.

1 ONE

The Two Well-Known Beaches Nai Harn And Rawai Beach

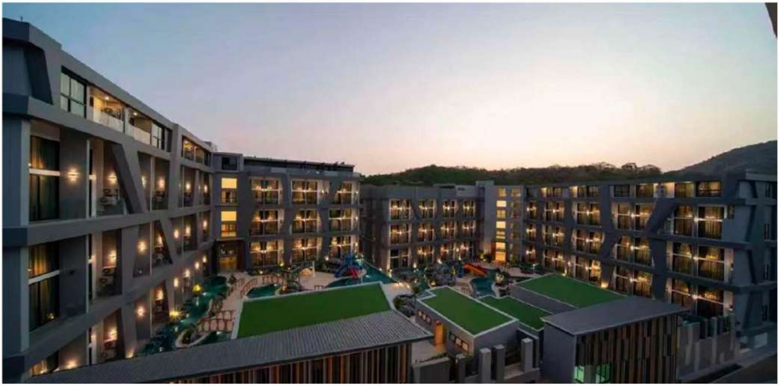
The Two Well-Known Beaches Nai Harn And Rawai Beach

Located in the southern part of Phuket between the two notorious beaches Nai

Harn and Rawai which can be easily reached by foot from Utopia Naiharn. The 2 floors loft consists of a total of 37 sqm, 20 sqm first floor day time, and 17 sqm second floor night time, the apartments are fully equipped with all the amenities we daily need. The project is surrounded by a unique natural scenery of tropical mountains, protected by the law as a national park. Only here it is possible to sense a feeling of embracing nature.

2 TWO

Facilities



In addition to the main facilities already active in UTN

In addition to the main facilities already active in UTN, 2 swimming pools, pool bar, spa, gym, meeting room, restaurant, and more, Utopia Loft offers all the guests an infinity pool on the top floor with a spectacular tropical view and a pool bar that serves amazing cocktails and other cold drinks, 2 more swimming pool on the first floor together with a small water park for the happiness of the little ones and also it is available for the foodies a recognized Japanese restaurant located in the rooftop of building B.

3 THREE

Unique LOFT Design

Different from the traditional Loft design

The original idea of UTL serviced apartments is to create a unique loft-style design to ensure the living experience of the residents while increasing the sense of the three-dimensional space together with modern furniture. The UTL two-floor pays more attention to the use of space, providing a double spacious pleasure.

4 FOUR The Developer

UTOPIA
CORPORATION

Utopia Corporation was established in 2015 and presently is the largest real estate developer in Phuket with 10 projects on the island, an investment of 8 billion Thai Baht, 120,000 square meters of land, and almost 2,000 keys completed and in the pipeline. Utopia Corporation is comprised of many divisions including Construction and Design, Utopia Hospitality Group, Club Utopia, and Zeus technology.
