The image shows a modern, multi-story building with a unique architectural design. The building features several levels of balconies and terraces, each adorned with lush greenery, including palm trees and various plants. The balconies are enclosed with glass railings, and the building's facade is a mix of light-colored panels and dark, slatted sections. The building is situated on a waterfront, with a large body of water in the foreground. In the background, a city skyline is visible, featuring several tall skyscrapers. The sky is a clear, bright blue, suggesting a sunny day. The overall atmosphere is one of modern urban living with a strong emphasis on nature and green spaces.

Tree of Life

Strikingly unique from your very first glimpse, Eywa instantly evokes a glorious Tree of Life. An organic canopy of branches, an enticing weave of roots, a floating oasis and a living breathing building that represents timeless wisdom and enduring growth.

Library

Often called the tree of knowledge and wisdom, the banyan tree represents growth, strength and self-awareness.

Step between the trunks of our tree, and you'll discover how Eywa celebrates, shares and nurtures knowledge.

Nestled there, within our main hall, is a community library. This features a lovingly curated collection of more than 2500 books, including a range of books from a wealth of international philosophers.

Eywa is a Breathing Organism

Interacting at all levels and through all senses

Eywa is a beautiful kinship between ancient science and wisdom, modern technology and world-class architecture.

Eywa combines the venerable design principles of Vastu Shastra with the latest technologies to harmonise the building's energies, and create an environment that supports your well-being and shapes a promise for modern life.

Flying Trees

Our vision is for Eywa to be a living organism, at one with nature and with its surroundings. From every angle, therefore, the building's façade appears to be alive with greenery.

Eywa Apartment No.1

The Dedicated Residents' Community Space

From a chef's table and library to private waterfalls and hammocks, Eywa is packed with ideas, features and moments that are vibrantly different.

Most importantly of all, each and every one of these extraordinary life experiences is deliberately intended to augment your well-being, and touch your heart & senses — every day.

Throughout Eywa we've designed areas devoted to shared spaces and facilities.

Private Waterfalls, Pools & Gardens

Being at one with nature. Living in the 'here and now'.
Accentuating our senses.

These feelings and these moments matter. That's why
Eywa creates a strong connection with natural elements
throughout its community areas, and in each apartment.

From the rustle of leaves to the rush of water, in Eywa
you're never more than a step away from nature.

Club House Dining

At Eywa, we passionately believe that food doesn't just enable life, health and growth. It enriches it. Eating together brings us together. Great food, drink and company is a timeless combination and enduring pleasure to life.

And – inspired by this truth – we've created an outstanding Club House and Restaurant for our community of residents and their guests. Quite simply, this is a dining experience unlike any other.

Eywa stretches and supports you — mind, body and spirit.

And because physical and mental well-being go hand-in-hand, we've made sure that this vital balance is abundantly available to you.

The Movies

They fire the imagination and escapism. They create collective experiences and lasting memories. At Eywa, we love them – and we know you do too. That's why we've included two cinemas, just for our residents.

Playgrounds

At Eywa, we consider children to be among the most precious parts of our lives and our future.

That's why we've taken care to create conditions for your children's all-round development as versatile, spiritually developed personalities – and to ensure they will always be happy, entertained and fulfilled at Eywa.

Private Dining & Conference Rooms

Well-being thrives on harmony. And your work-life balance is an important ingredient in that mix.
