THE INSPIRATION

JIWAN

It is the name given to the finest, bright-white pearls, with a tinge of pink that are found in the Gulf. Adored by Emirati pearl divers and acclaimed internationally, these pearls are a national treasure, with strong roots in Emirati culture and heritage.

What better name to give to an architectural marvel that captures the spirit of timeless waves, faceless winds and priceless pearls in one sweeping sculpture!

J ONE TOWER A

It is an architectural marvel where modernity meets heritage, and is a tribute to the vision of Dubai, brought to life by RKM DURAR Properties – one of Dubai's leading property developers.
