*“IN THE MOUNTAINS,
THERE YOU FEEL FREE.”*

T.S. ELIOT

This timeless quote by T.S. Eliot, the famous American poet in the 20th century, perfectly encapsulates the essence of our new residential project in Dubai, inspired by the French alpine lifestyle.

The French Alps are synonymous with tranquillity, freedom and natural beauty and these qualities we have meticulously integrated into Weybridge Gardens 3.

Our designers travelled through the picturesque alpine villages, drawing inspiration to bring a fresh perspective to modern living in Dubai.

This residential community harmoniously blends the rustic charm of mountain living with contemporary comfort, offering residents a serene escape amidst the vibrant energy of the city.
