### Zen Inspired Biophilic Design

10 Oxford embodies a harmonious fusion of biophilic and Zen-inspired design concepts, where the Earth's natural elements come to life within its architecture. The earthy colors employed in its design palette, including warm browns, soothing greens, and calming neutrals, evoke a deep sense of grounding and serenity. Biophilic elements, such as abundant greenery and flowing water features, seamlessly blend with Zen-inspired principles to create an environment that fosters a profound connection to nature.
