The luxury of location

Dubai is a city known for its luxury, state-of-the-art developments, career-building opportunities and beautiful beaches. It's no wonder then that the city has become increasingly attractive to discerning investors.

Just a short drive from Dubai's city centre lies AKOYA Oxygen, brimming with a host of world-class entertainment and leisure facilities.

The new colour of luxury

Close to the city, yet far enough away from the bustle, AKOYA Oxygen offers cleaner air, naturally cooler temperatures and a carefully designed master plan and road network system. Homes are designed to offer a living experience that appreciates the beauty of the natural environment, with breathtaking outdoor amenities, enchanting greenery and cascading water features.

Surrounded by rich flora and green vistas, AKOYA Oxygen is a community that offers a convenient, luxurious lifestyle with everything you need, and more

High-end shopping, organic dining, Dubai's first rainforest and the Trump World Golf Club Dubai, are just a few of the highlights to be found at AKOYA Oxygen
