About Us

AHS Properties is a dynamic Dubai-based ultra-luxury property development company founded by Emirati entrepreneur Abbas Sajwani. Established in early 2021, we focus on revolutionising the real estate sector and transforming the aspirations of every clientele into luxury living experiences.

Quite simply, we understand luxury properties and aim to craft a legacy in the real estate sector through groundbreaking projects. Our unique combination of expertise in property and our conservative risk-assessment processes permit us to offer unparalleled luxury boutiques and a distinct identity to every project.

Not only do we meet clients' expectations, we exceed them. We punch above the conventional and successfully develop properties that are highly desired by home buyers and investors.

Today, AHS Properties stands as a beacon of excellence in ultra-luxury real estate, continually redefining standards with our eminent and uber-luxury developments.

Vision

Since its establishment, AHS Properties has built a reputation for being a leading ultra-luxury real estate company in Dubai. With our founding principles and core values, my team and I have not wavered on quality but have instead set a new benchmark for ultra-luxury properties.

It is through the lens of beauty and opulence that we deliver unique projects, carrying a symphony of exquisite design, meticulous craftsmanship, and architectural innovation that resonates with our clients' aspirations.

At AHS, we create a sense of awe and provide unparalleled comfort and serenity, so I encourage all buyers to take part in the AHS Properties experience and enjoy the professionalism they deserve as real estate clients.

I take pride in the long-term relationships we have forged with our clients, and I would like to thank all of them for their continued support in ensuring that we remain a leading international Real Estate development in the UAE.

Casa Canal, Dubai Water Canal

One Canal - Dubai Water Canal

One Crescent - Palm Jumeirah

AHS Properties and Shaun Killa Associates have teamed up on various projects that have significantly transformed the skyline of Dubai. Their impressive portfolio comprises One Canal and One Crescent. The most recent masterpiece, Casa Canal, encapsulates the elegance and allure of the Dubai Water Canal. With its impressive height and sweeping contours, Casa Canal is a tribute to the stunning beauty of this exceptional location.

Interiors

HBA Residential creates distinctive, sophisticated and sublime environments for private villas, penthouses, luxury buildings, and houses for the world's most distinguished individuals. Paying close attention to form and function Graphics combines beauty and purpose with a synergy that is timeless.

Building on the resounding success of our previous project, One Canal, we've joined forces with HBA Design to create Casa Canal's interiors, embodying the epitome of opulence. In a splendid continuation of our proven design prowess, each room of Casa Canal shimmers with unparalleled luxury. This collaboration has amplified the grandeur of our architectural legacy, reinforcing Casa Canal's stature as a monumental sequel in our portfolio, and a radiant gem adorning Dubai's skyline.

Your Private Sanctuary Awaits

Created for the individual who values privacy, cherishes peace and desires to be in the heart of a city as vibrant as Dubai. In this urban sanctuary, residents transcend everyday constraints and discover a profound and lasting sense of well-being.

Thoughtfully Designed to Complement Your Lifestyle

Featuring wide layouts, panoramic patios, and private elevators for all Sky-villas & Penthouses. Residents are greeted with breath-taking vistas from the minute the elevator doors open into their residences. The bedrooms and living areas are located along the shoreline, providing sweeping, unimpeded views. Floor-to-ceiling windows provide natural light into each open-plan area, and extra-large patios are thoughtfully incorporated into the great rooms and bedrooms. While bringing attention to the water, sliding doors offer an open connection to the major living rooms and a smooth movement between inside and outdoors. The width of windows within the dwellings contrasts with the warmth of natural materials.

Every finish and surface is influenced by boat design, lending an air of sophistication.
