Why Us?

17 Years Experience

Evan Lim-Penta

Evan Lim Penta (ELP), a highly experienced building contractor with 17 years of expertise in the UAE, boasts a distinguished portfolio of delivering premium projects in Dubai, including opulent five-star resorts and exclusive private villas.

Dubai & Singapore

The partners have built and developed Ahad Residences in Business Bay, Sofitel Resort Palm Jumeirah, various luxury residential developments in Singapore and much more.

What Sets Us Apart

Specialized Team

Our experienced, specialized team leverages extensive industry knowledge to deliver innovative real estate developments, ensuring high-quality projects that meet market demands and exceed client expectations.

Reliable

Our clients can rely on us to consistently deliver beyond expectations, ensuring quality, transparency, and unmatched value in every project we develop.

Customer Driven

Our client-centric approach is at the heart of everything we do, with a focus on cultivating long-term relationships built on trust, integrity, and exceptional results.

Premium Quality

We deliver premium-quality properties that adhere to the highest standards, providing our clients with the confidence to trust us for outstanding results and enduring value.

Forward Thinking

We are dedicated to staying ahead of the curve, continuously innovating and incorporating the latest technologies into our projects to deliver modern, forward-thinking solutions to our clients.
