2020 - \$268,765,560
2021 - \$409,547,520
2022 - \$415,946,700

SPECTACULAR NATURE

One of the TOP 10 most Instagrammable places in the world

ALL YEAR ROUND SEASON

365 warm days per year and consistently high occupancy rates in tourist locations

INCREASING DEMAND FOR RENTAL REAL ESTATE

Each year, the tourist influx increases by an average of 140%, so in 2023, Bali was visited by 11,7 mln people. In 2024, the authorities forecast the tourist flow to grow to 14 mln

HIGH RENTAL YIELD

Annual profit from renting out is at least 12%

ANNUAL GROWTH OF REAL ESTATE VALUE

Villas, apartments, and land plots rise in value by at least 15% per year

WHY CANGGU?

LOCATION

Oceanfront accommodation will always appeal to lovers of surfing and beautiful sunsets. However, Canggu will also suit those who want to be in the moment, surrounded by a variety of stylish stores, restaurants with delicious dishes, and lots of attractions

INFRASTRUCTURE

- Already well-developed infrastructure
- Huge number of Instagrammable restaurants and bars within walking distance, the most famous beach clubs in Bali (Atlas, Finns, Morabito, La Brisa)
- Attractive places for both nightlife lovers and active tourists (best surf spots, yoga centers, luxury sports clubs, co-working areas, etc.)

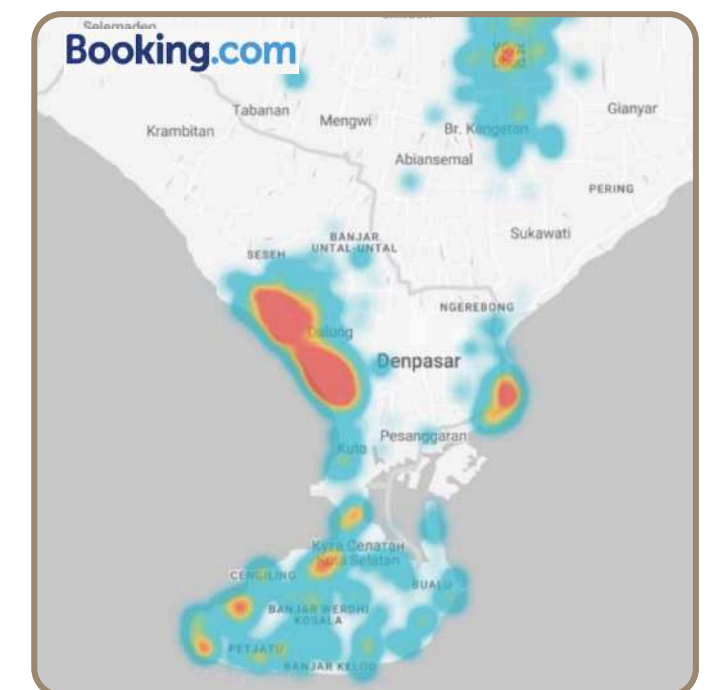

SOCIAL ENVIRONMENT

- The audience falls within the age range of 20-40 years old
- Citizens from Australia, Great Britain, the USA, Korea, France, Singapore, etc.
- Active and successful entrepreneurs and experts with a wide range of interests
- Good financial opportunities (Canggu boasts the most sought-after properties, with rental prices ranking among the highest in Bali)

Highest demand for rentals according to Booking.com statistics
