

KAYAN

Phase 2

Aljurf
GARDENS

Aljurf
GARDENS

KAYAN

Nestled along the Sahel Al Emarat coast, AlJurf adds a new layer of beauty to the existing landscape. Totalling 382 hectares of strategically designed villa types and land plots, the communities of AlJurf Gardens are inspired by the area's abundance of greenery, vast coastline, desert and heritage.

In this next chapter, we unveil Kayan 2. Designed to encourage a closely-knit community, AlJurf's latest phase launches with villas, offering two distinct typologies with two different floorplans.

IMKAN

IMKAN is more than just a real estate development company; we are placemakers. From our headquarters in Abu Dhabi, we manage an extensive portfolio of projects including residential, retail, hospitality and commercial, in various stages of development spanning over 30 million sqm across four continents. IMKAN is proud to pioneer a research-led approach which explores the social behaviors, habits, and unique characteristics of the members of our communities, and results in the creation of soulful places that enrich people's lives.

Disclaimer:

All renderings, floorplans, features and specifications are conceptual only and subject to change. All above drawings are not to scale. The architectural details, dimensions and area in the plan are based on Schematic Design information only, all dimensions are approximate and may vary with actual construction. All images used are for illustrative purposes only and do not represent the actual size, features, specifications, fittings, and furnishings. Residential units are sold as unfurnished without furnishings and decoration. Landscaping, pools and out-buildings (summer-house, majlis, drivers room) are not included within the sale of the villa. They have been provided for illustrative purposes only. The Sale and Purchase Agreement shall include the correct representation of the items included in the units. Masterplans, illustrations and sections are "work in progress" which may periodically change as circumstances require and according to applicable government regulations and permits. Overall concepts may be used as general reference source, but specific details are not to be viewed as "set in stone".
