DEVELOPMENTS

An architectural milestone

Four meticulously designed floors, offering a total of 268 apartments that cater to a variety of balanced lifestyles. Purpose driven design is our core capability. Each floor is a harmonious blend of studios, one-bedroom, two-bedroom, and three-bedroom apartments, all crafted with the finest attention to detail.

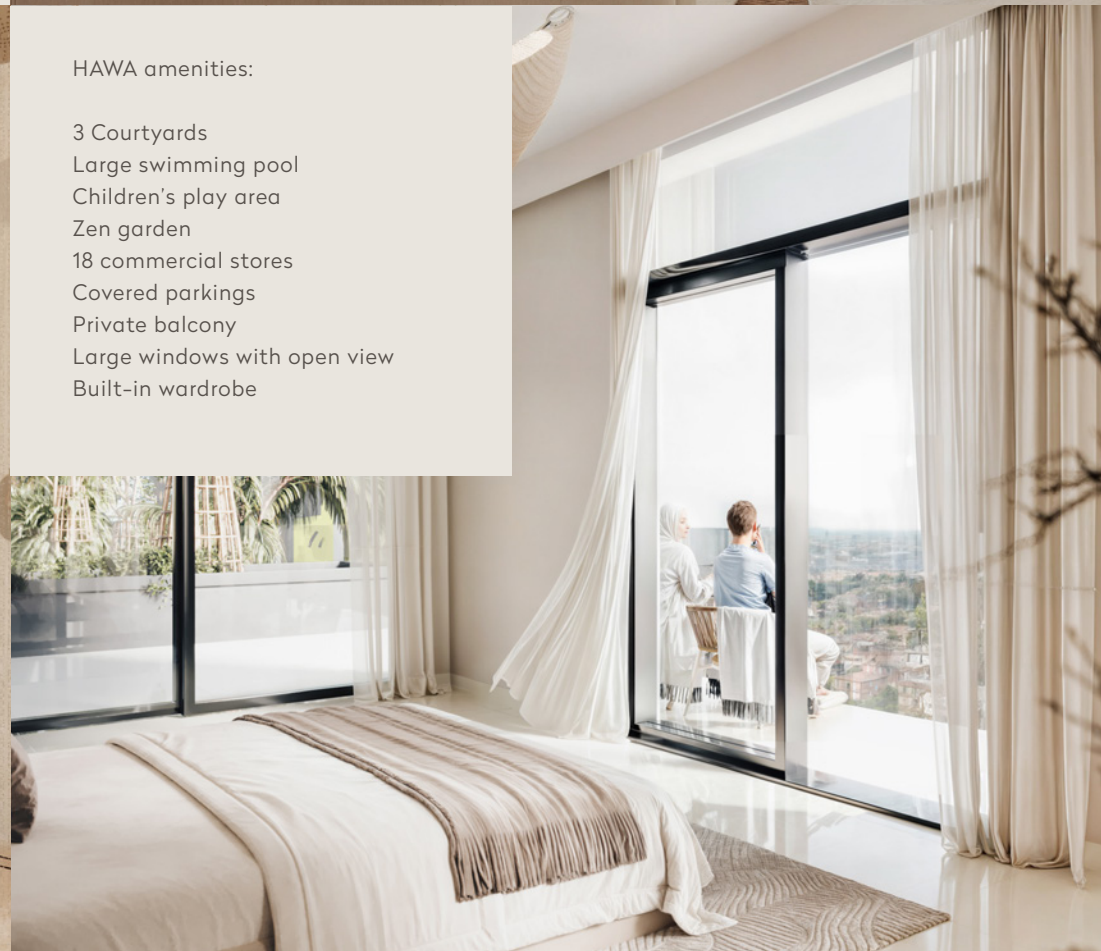

These residences are not just homes; they are sanctuaries where every element, from the spacious layouts to the high-quality finishes, reflects a commitment to design and innovation excellence.

To accommodate the needs of all residents, Hawa Residence provides 282 parking spaces, ensuring convenience and accessibility for everyone.

The HAWA Life

Retail reimagined. An inviting array of thirteen shops, designed to cater to the diverse tastes and needs of its residents and visitors, the promenade features an eclectic mix of chic cafes, gourmet restaurants, and boutique shops. Whether you're in the mood for a leisurely coffee, a sumptuous meal, or unique shopping experiences, the vibrant atmosphere at Hawa ensures tranquil escape from its surroundings.

The concept of communal spaces are now elevated. Hawa introduces not one, but three expansive carefully designed green areas, each measuring an impressive 35 meters by 35 meters. These lush oases, interspersed with sparkling pools and thoughtfully unique amenities, all combine to offer places for manicured gardens, enjoying a refreshing swim, gatherings for family and friends.
