WHEN STARTING TO DESIGN A HOUSE, THE MAIN CONCEPT IS THE ALLURE OF HAPPINESS

Our mission is to capture the irresistible allure of rural houses and draw inspiration from the wisdom of Asian indigenous home design, perfectly tailored to modern living. We blend nature's beauty to cultivate joy, ensuring that every corner of the MONO house exudes comfort and accessibility. "To ignite happiness by indulging in what you truly love"

CONCEPT DESIGN

コンセプトデザイン

光強きところ、また影も強し

LIGHT AND SHADOW

FORM A MASTERPIECE INSPIRED
BY NATURE

Techniques for lighting and shadows are truly captivating to explore and infusing charm into the living space.

しょうじ

KOHI & SHOJI

ELEGANCE OF LINES
AND ANGLES

Using a Grid & Line approach in home design allows for a harmonious arrangement of walls, windows, and doors, resulting in an aesthetically pleasing and well-balanced design.

SPACE TAILORED TO ACCOMMODATE REQUIREMENTS

Space planning: "In the quest for a livable home, space design holds paramount significance, as we firmly believe that each corner of the house possesses the power to inspire and cultivate happiness."

EVERY AREA IS MORE VALUABLE THAN AN INITIAL PERCEPTION

Function design detail: "Imagine the possibilities that unfold when every facet of your home is meticulously crafted to empower limitless functionality."

わび・さび

WABI SABI

EMBRACING THE ALLURE OF
NATURE WITHOUT THE NEED
FOR ARTIFICE

Incomplete beauty: The essence of design principles is embracing imperfect beauty. By focusing on specific nuances in an alternate realm, comprehending the essence of nature and fully embracing the inherent allure of imperfections, one can truly appreciate the captivating simplicity found within a distinctive masterpiece.

EXPERIENCE THE SENSATION
OF BEING OUTDOOR WHILE
STAYING INDOOR

Inside out & outside in: Experience a home design that embraces the harmonious bond between indoor and outdoor realms, fostering a seamless connection that invites the gentle touch of nature with utmost humility. Witness a transformation that amplifies the spaciousness of your house.

過ぎたるは及ばざるがごとし

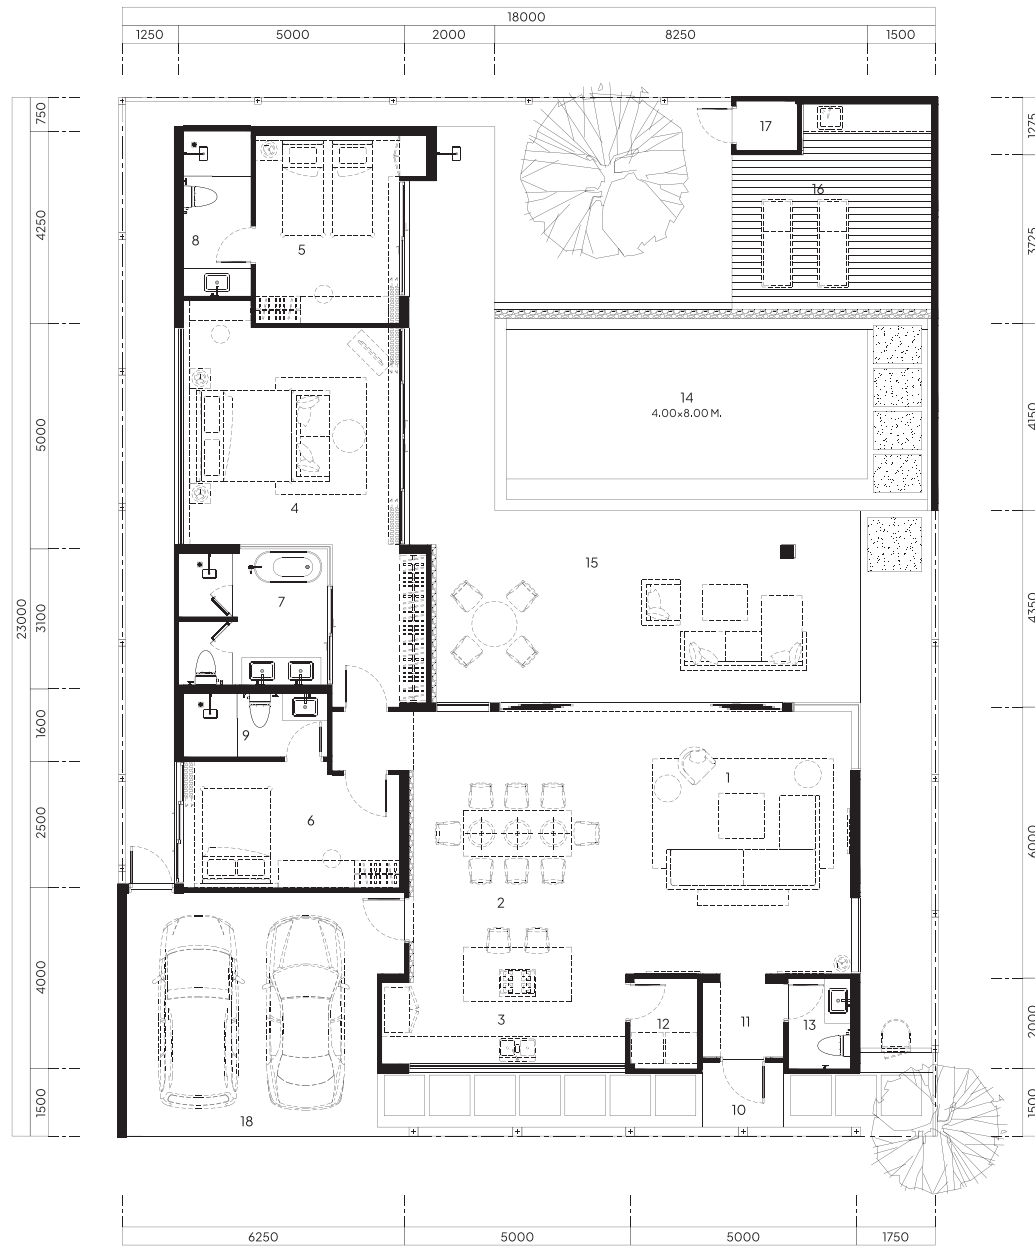

LESS IS MORE, AN ELEGANCE OF SIMPLICITY

Japanese Design - Less is more: We embody the essence of Japanese architecture by unveiling its distinctive charm and capturing the beauty of simplicity, which conceals intricate details, serving as the inspiration for our mono house design.

ELICITS A DELIGHTFUL SENSATION IN EVERY TOUCH

The Sense of Nature encompasses the beauty of architecture experienced through various senses: sight, hearing, smell, and touch. It evokes a gradual, enduring connection with nature, capturing its gentle yet powerful essence.
