Forbes
GLOBAL PROPERTIES

Driven Properties is an award-winning real estate brokerage and property management company headquartered in Dubai. Since its inception in 2012, the company has been raising standards for the industry and has grown into one of the leading full-service real estate consultancies in the region.

As a multi-faceted company, Driven Properties offers in-house asset management, property management, and market advice in addition to property sale and leasing services—a real one-stop shop.

Driven Properties is now an exclusive member of Forbes Global Properties, an invitation-only consortium of leading luxury real estate firms, reserved for only the 100 most elite brokerages in the world.

refine

Refine Development Management is founded by a group of seasoned property developers and market experts on a mission to consolidate and refine the property development ecosystem. Refine pioneers a smart solution - Daas (Development-as-a-Service), a full turnkey life cycle development management solution for property developers and investors.

Leveraging on the expertise of the team, Refine creates its value proposition by delivering products that are in demand and future-proof with optimal efficiency, while maintaining minimum overheads during and post-construction periods by utilizing its centralized management system for its clients.
