PALM JUMEIRAH
INVESTMENT OPPORTUNITY

AQUA
PROPERTIES

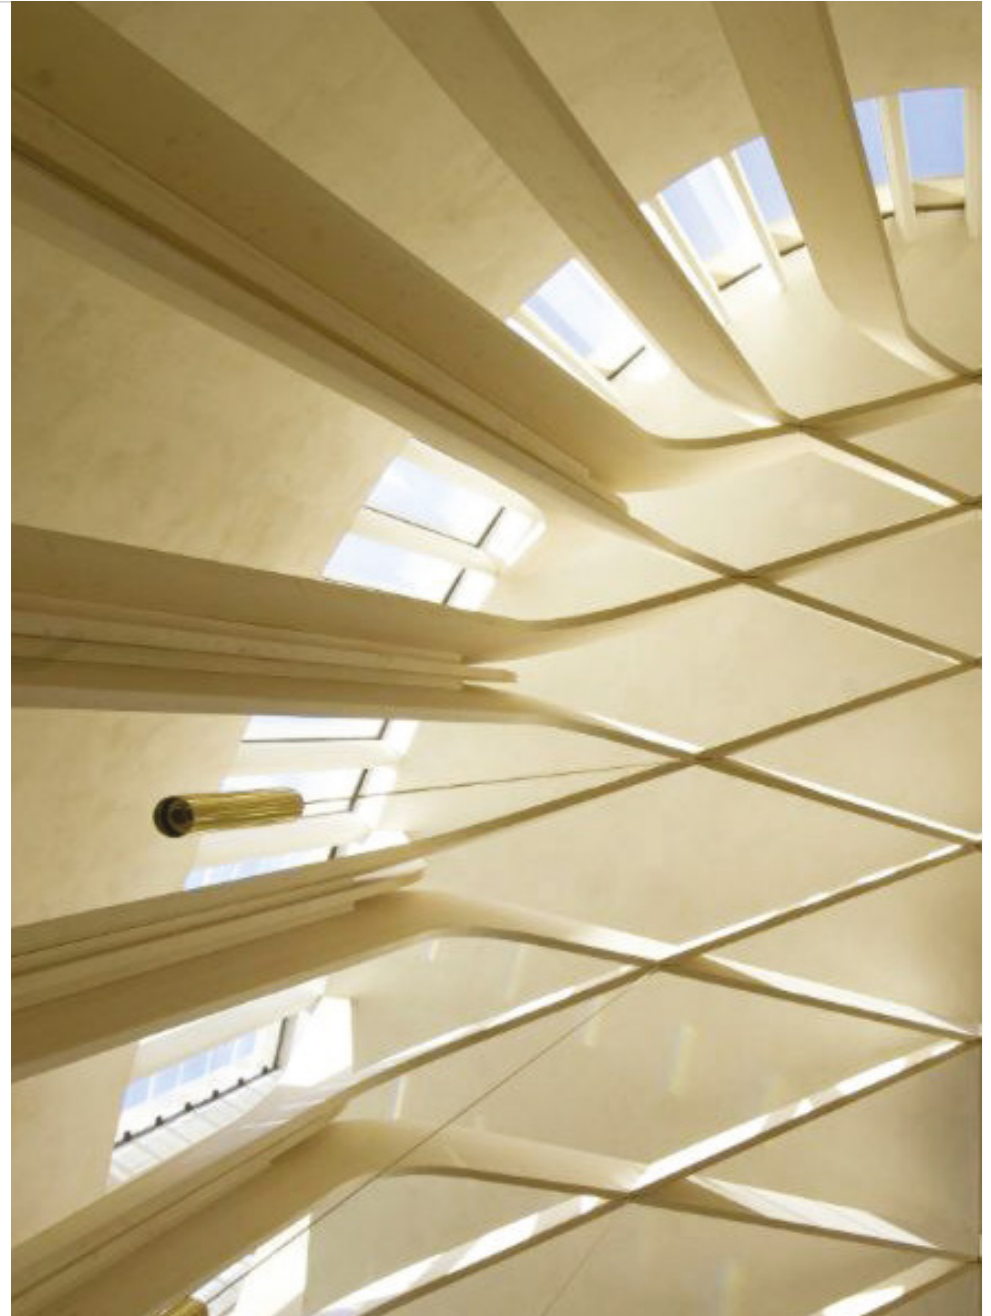

INTRODUCTION

AQUA Properties have the pleasure in submitting this unique investment opportunity for purchasing Mysk Palm a 4 star hotel located at the trunk of the largest man-made island, The Palm Jumeirah Dubai.

The Palm Jumeirah is one of the most eye-catching areas in Dubai, and among the world's most interesting man-made features. With the increasing number of Dubai visitors yearly, hotels on the Palm Jumeirah are among the best-performing in terms of occupancy.

Scheduled for completion in Q4, 2021, this project is one of a kind presenting the only Shariah compliant hotel which is certainly due to receive a lot of interest.

WHY AQUA PROPERTIES

Founded in 2005, AQUA Properties offer expert advice on local and international property market covering secondary market and developments. We are a full-service real estate company providing clients valuable up-to-date market data and trends.

Our multinational brokers are result driven with a commitment to maintaining long term client relationship. Our agents are all RERA certified and are area specialists which enable them to provide clients with comprehensive residential and commercial property advice.

Our Services:

- Developer's services
- Residential and commercial brokerage services
- Property management
- Independent escrow account for re-sales
- Real estate investment consultancy
- Real estate portfolio management
- Mortgage advice
- Home insurance advice
- Foreign currency transfer
- International immigration

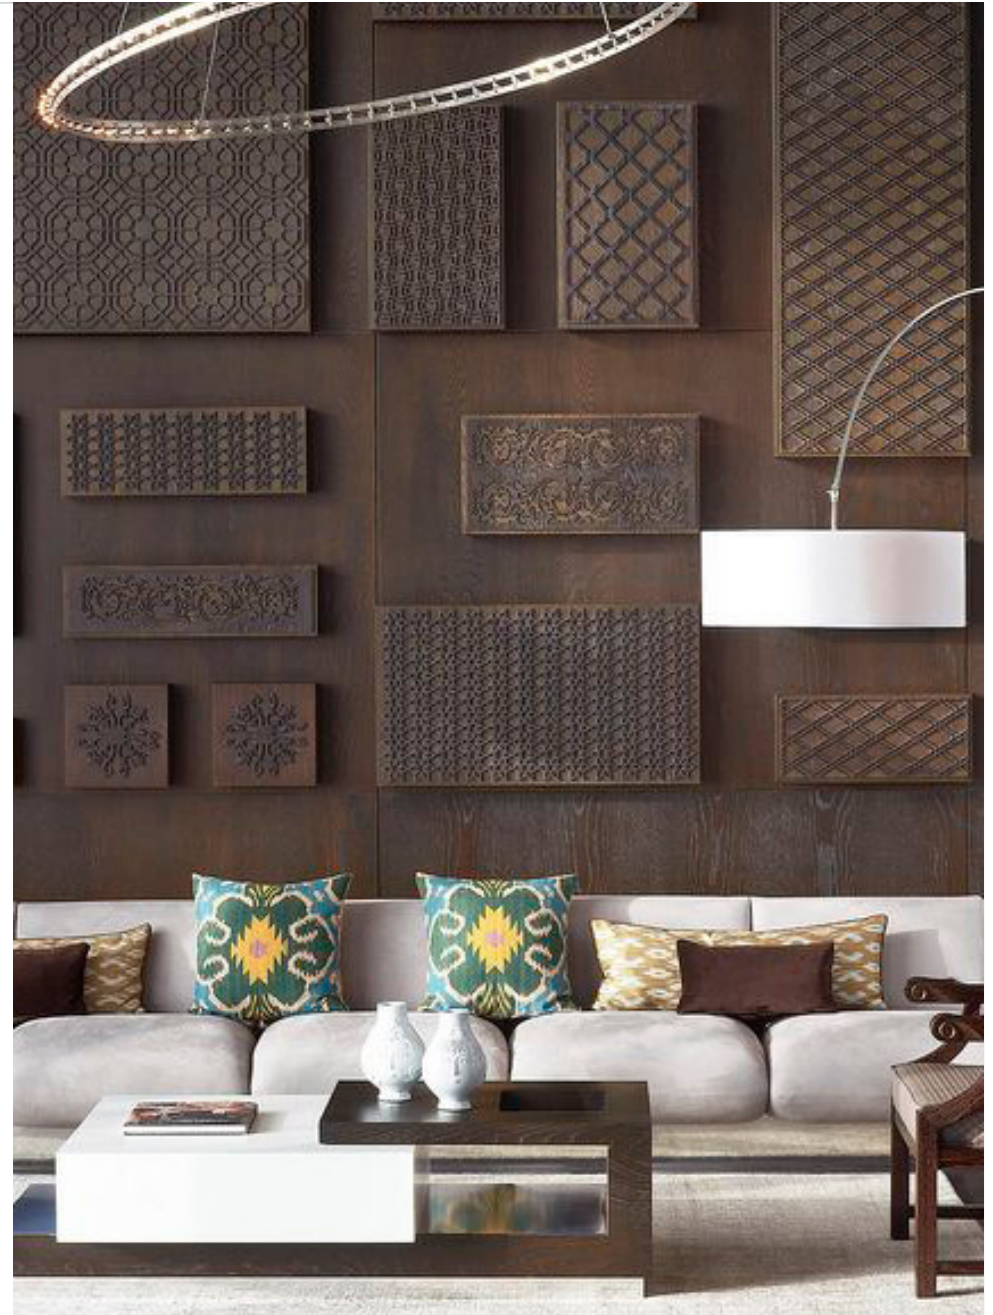

INVESTMENT OPPORTUNITY

Mysk hotel consisting of 180 keys, will serve the needs of a growing upscale audience searching for stylish and high standard accommodation which is reasonably priced and conveniently located.

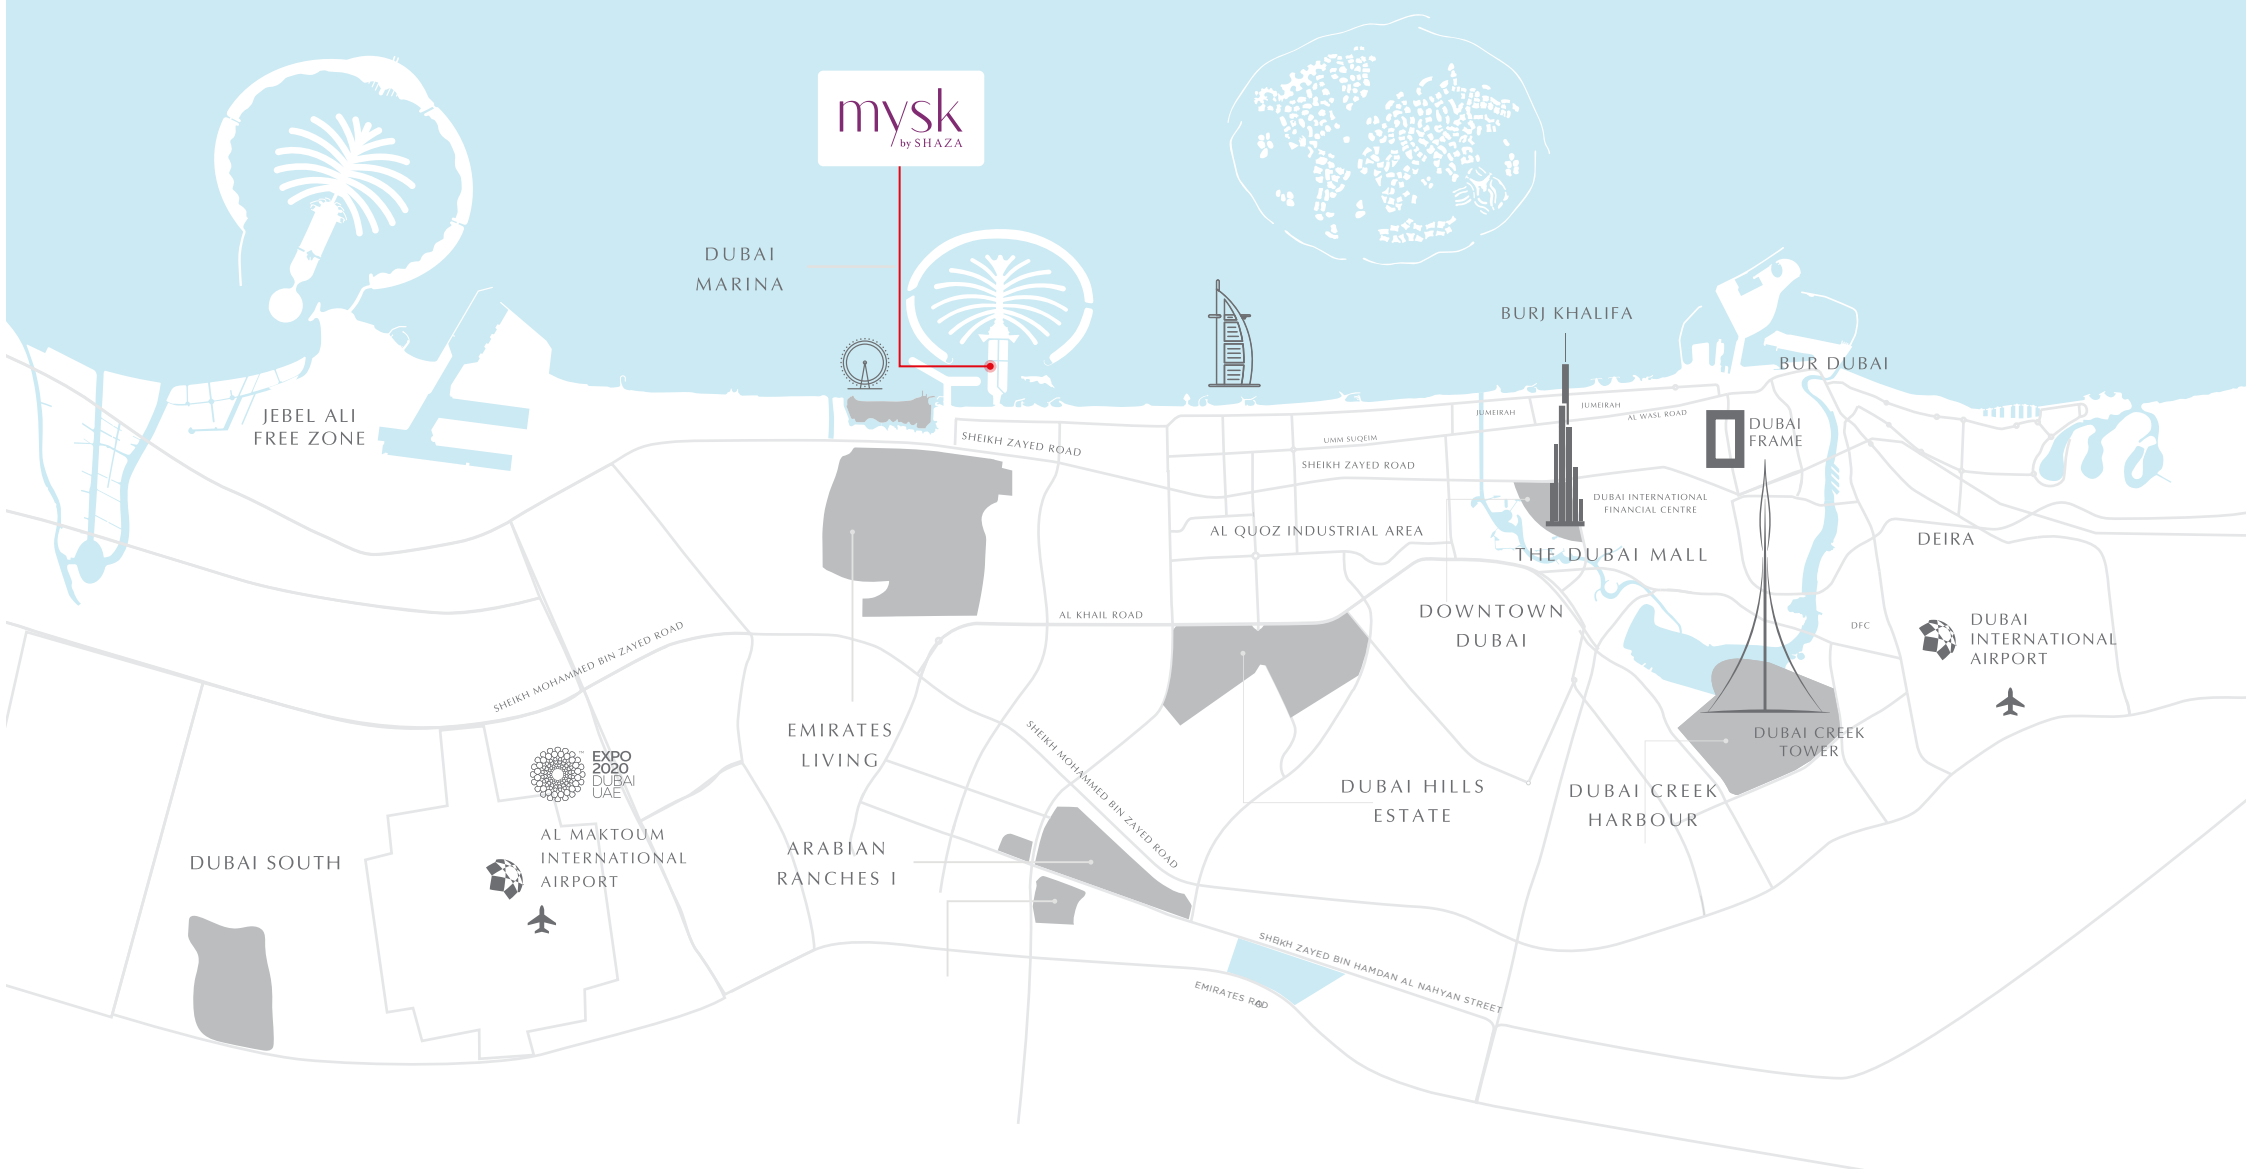

Mysk Palm will provide its clients easy access from the entrance of the Palm and easy exit which will undoubtedly speed travel for business people wishing to reside in the area.

The interiors of the hotel will be bold and minimalist, with a contemporary Arabian style, based on simplicity, contrast and layering of materials.
