# ONLINE REGISTRATION PROCESS

## DO'S

- Only use the link provided in the registration notification.
- Only register clients with genuine interest.
- Fill out your client's details where it states 'customer' and your personal details where it states 'broker'.
- To avoid delays at the booking stage, please ensure that your client's email address and mobile number are correct, and their name is exactly as it appears on their passport.
- Select the correct agency name.

## DON'TS

- Do not register your client before receiving the official registration notification.
- Registrations received before the official notification will be excluded.
- Do not fill in your email ID in the client's email ID field.
- Do not fill in your mobile number in the client's mobile number field.
- Do not register the same client more than once.
- Do not register inaccurate client names.
- Do not forge, alter or duplicate tokens. This will significantly reduce your chances of obtaining a unit and increase the possibility of being excluded from future launches.
