

ABOUT ORIGIN

Origin Property Company Limited was established in 2009 as a property development company which focuses on condominium that offers great travelling conveniences located near Sky Train routes and expressways.

Since the establishment of our company, we have built many condominiums aiming to be the most stylish condominiums, so all condominiums by Origin offers unique project designs with the best functional unit layout and excellence after sales service that worth every baht spent. Reflecting our company's core value that focus distributing the best product value with a good reasonable price that meets the customer's satisfaction.

VISION STATEMENT

Origin aims to be an integrated real estate development company with sustainable growth under the corporate governance code, deliver great products with excellent services and have a customercentric approach. Origin thinks more and offers more so that our customers have more benefits.

MISSION STATEMENT

We are attentive to every detail of the needs of customers by creatively designing project developments and delivering products and services that achieve customer satisfaction. We emphasize personnel and organizational development in order to grow sustainably with trade partners, customers, shareholders, business partners, employees and society.
