

FACT SHEET

DESCRIPTION

Citrine Residences offers a unique blend of waterfront living and urban convenience. Located on Maryam Island, the development boasts a prime location between the picturesque promenade and the beach. Residents can enjoy walks through the landscape spaces and get seamless access to the retail, outdoor areas and cafes lining the waterfront promenade.

The elegantly designed building features a shared podium that comprises of ground floor, first parking level and second parking level housing two exquisite towers, Citrine and Topaz offering a sense of community and shared space. Citrine Residences, a 10-storey building, boasts 123 apartments. This includes a selection of 5 luxurious townhouses and a variety of apartments ranging from 1 to 4 bedrooms catering to diverse range of residents.

Each apartment has its own private balcony and dedicated parking spaces. Residents can choose from apartments with breathtaking waterfront views, lavish landscaping and pool deck areas that are situated on the deck level. Citrine Residences promises an idyllic lifestyle perfectly positioned at the heart of Maryam Island's vibrant masterplan.

ARCHITECTURAL HIGHLIGHTS

Citrine Residences work in harmony with the architecture of Maryam Island master plan. It takes its inspiration from the region's traditional architecture with a contemporary interpretation and it sits elegantly on the Corniche Road of the development.

The building facade represents simplicity with the use of facade tiles while retaining the chosen palette of colors Beige or Brown Color. The interior spaces areas are unique blend of modern sophisticated design and the warmth and coziness of natural finishes and elements, all in harmony to create dream home for families.
