“ROI GOALS”

The Benefits of Investing with Anchan: 5 REASONS TO CONSIDER”

01.

Firstly, purchasing during the preconstruction phase allows investors to benefit from a projected increase of 15-20% by completion, resulting in maximum profits.

02.

Anchan villas, as a trusted brand in the industry for over 16 years, offers credibility and integrity to investors coming for short-term rentals or long-term returns on investment.

03.

When renting out your investment property, investors obtain an authentic Phuket villa experience, with each villa featuring timeless and luxurious design, privacy, and immersion in Phuket's natural beauty.

04.

With strategic locations in prime areas of Phuket, Anchan is positioned to take advantage of consistent rental demand during peak travel seasons. The Layan, Bangtao, Naiyang beach areas will be the new landmark locations for luxury residential living in 2023 and beyond.

05.

Most importantly, investors can enjoy your investment villa as their own vacation home, have your family and friends share the Phuket tropical beauty, and benefit from a consistent passive income stream.

OUR STORY

Welcome to Anchan, stunning luxury residential community nestled in the picturesque Thalang district of Phuket. Our prime location offers easy access to the breathtaking Bangtao, Layan, and Naiyang beaches.

Founded over 16 years ago by a Phuket native, Mr.Preechapol Sae-Tiw. Anchan is the product of a passionate team committed to creating exceptional living spaces. With a vision to transform Thalang into a sought-after luxury destination, our founder, then 29, brought together a group of like-minded partners to make this dream a reality.

Our deep understanding of Phuket informs every aspect of our product development. We design villas that embody the essence of Phuket, and our insight into the potential of each location allows us to select the best sites for investment and future growth. With nine successful projects to our name, we continue to demonstrate our expertise in the region.
